Who We Are

Mohsin Haider Darwish Logistics LLC (MHD Logistics) is one of Oman's leading integrated logistics and supply-chain service providers, offering comprehensive end-to-end solutions across freight forwarding, warehousing, project logistics, and customs clearance.

Headquartered in Muscat and operating under the legacy of the Mohsin Haider Darwish Group, the company has established a strong presence across key industrial hubs in Oman.

With extensive local expertise, modern infrastructure, and strategic partnerships with global leaders, MHD Logistics is uniquely positioned to support Oman's rapidly expanding industrial, energy, oil & gas, infrastructure, FMCG, retail, healthcare, pharmaceuticals, mining, manufacturing, automotive, construction, IT, and e-commerce sectors. Our comprehensive services integrate operational excellence, digital efficiency, and stringent QHSSE compliance, ensuring reliability, transparency, and performance at every stage of the supply chain.

Overview of Core Services Comprehensive Solutions, Seamless Execution

MHD Logistics delivers logistics and supply-chain solutions that go beyond transportation — creating connections that drive progress and growth. With expertise across every mode of transport, the company blends global standards with local insight to deliver services marked by trust, precision, and consistency. Every shipment is managed with a deep understanding of what clients value most — reliability, responsiveness, and results..

Freight Forwarding

Ocean Freight | Air Freight | Road Freight

MHD Logistics provides flexible freight solutions designed around the unique requirements of each client. Whether moving cargo across continents or within the region, every shipment is planned with precision and delivered with complete supply-chain management, the focus remains the same—efficiency, agility, and trusted delivery. With care. Through strong partnerships with leading global carriers, the company ensures reliable capacity, optimized routing, and full visibility from origin to destination—so clients can move goods with confidence, wherever business takes them.

Logistics Services

From multi-temperature storage to nationwide distribution, MHD Logistics offers tailored solutions that keep supply chains moving smoothly and securely. Its QHSSE-compliant facilities and advanced tracking systems are supported by experienced teams who manage every detail with accuracy and accountability. Whether it's warehousing, third-party logistics, or complete supply-chain management, the focus remains the same—efficiency, agility, and trusted delivery.

Customs Clearance

Documentation | Duty Optimization | Regulatory Compliance

MHD Logistics is among the few freight forwarders in Oman licensed to perform in-house customs brokerage—a capability that gives clients faster, more controlled clearance at every gateway. Its dedicated officers manage documentation, tariff classification, and duty processing with accuracy and efficiency, ensuring smooth import and export operations. By maintaining complete compliance with national and international regulations, MHD Logistics helps businesses save time, reduce costs, and move goods without disruption.

Why Choose MHD Logistics

What Sets MHD Logistics Apart

- Strategic presence across Oman's key industrial and port cities
- In-house customs brokerage for faster, more controlled clearances
- Proven expertise in project and industrial logistics operations.
- QHSSE-compliant and ISO-certified facilities supported by robust management systems.
- Advanced digital tracking and ERP integration providing real-time shipment visibility.
- Strong global partnerships with leading carriers and agents across air, sea, and land.
- Deep understanding of Oman's regulatory framework and alignment with national priorities.
- Positioned as a one-stop logistics provider, delivering complete supply chain solutions from first mile to last mile.
- Extensive experience in managing end-to-end project cargo operations, including complex and out-of-gauge shipments, with consistent adherence to budgetary and time constraints.
- Comprehensive temperature-controlled, dry, and cold chain supply solutions ensuring reliable storage and seamless distribution.

Major Projects

Experience That Moves Industries

With a track record built on performance and trust, MHD Logistics has delivered solutions for some of Oman's most demanding projects. From heavylifts operations to industrial developments and port-based assignments, the company continues to demonstrate its ability to manage complexity with efficiency, safety, and precision.

Projects

Vessel Discharge Project (Ongoing)

Under a long-term industrial services agreement with a government entity, MHD Logistics oversees the comprehensive management of vessel discharge activities within the shipyard premises. The project ensures operational efficiency, strict compliance with safety and environmental regulations, and seamless coordination among all stakeholders for timely execution. Associating with MHD Logistics provides the advantage of proven expertise in large-scale industrial operations, a dedicated and experienced workforce, and an integrated logistics framework designed to deliver reliable, cost-effective, and compliant solutions for complex handling projects.

Fleet Leasing & Supply Chain Handling Project (Ongoing)

MHD Logistics is executing a long-term fleet leasing and supply chain management project designed to support extensive food distribution, cold chain supply and general cargo movements across Oman. The project features a fully PDO/OPAL-compliant fleet operating under continuous monitoring and strict safety governance.

Through 24/7 fleet supervision, real-time tracking, preventive maintenance programs, and centralized logistics coordination, MHD Logistics ensures uninterrupted operations, high service reliability, and optimized delivery performance nationwide. This ongoing project highlights the company's capability to provide integrated, compliant, and scalable logistics solutions that meet the evolving demands of large-scale distribution networks.

Catering Distribution Project (Ongoing)

MHD Logistics delivers a fully integrated logistics solution for a leading GCC-based catering and meal delivery brand expanding its footprint in Oman. The project encompasses comprehensive distribution support, processes, and service reliability ensures seamless delivery performance and sustained customer satisfaction across the region.

Major Projects Experience That Moves Industries

temperature-controlled logistics management, and optimized supply chain coordination tailored to the client's business model with the existing MHD Logistics fleet of 1ton, 3ton, 4ton, 7ton, 10ton & 40 foot reefers. By partnering with MHD Logistics, clients benefit from the company's proven expertise in cold chain operations, reliable last-mile delivery solutions, and the ability to scale logistics infrastructure in line with evolving business growth. MHD Logistics' commitment to operational excellence, technology-driven

The MHD Logistics Advantage:

- ✓ Proven expertise in managing complex, multi-country logistics operations.
- ✓ Strong global partnerships and in-depth understanding of cross-border trade compliance.
- ✓ Ability to deliver customized, cost-effective, and time-sensitive logistics solutions.
- ✓ Commitment to reliability, transparency, and long-term client relationships

The successful completion of this project has paved the way for MHD Logistics to act as the preferred logistics partner for subsequent phases, further strengthening its position as a trusted regional and international logistics service provider.

Sustainability & Social Responsibility

Beyond logistics, MHD Logistics is driven by a commitment to do business responsibly. The company actively promotes sustainable practices across its operations – from energy-efficient fleet management and waste reduction to employee welfare and community engagement. Guided by Oman Vision 2040, MHD Logistics continues to integrate environmental stewardship and social value into every aspect of its growth.

Leadership Message

“At MHD Logistics, our strength lies not only in what we deliver, but in how we deliver it – with integrity, accountability, and purpose. As Oman moves toward a diversified and technology-driven economy, we remain committed to building partnerships that move industries forward and create lasting value for our nation and our clients.”

– Management, MHD Logistics
